It provides a brand new storybook guaranteed to challenge seasoned adventurers, and features a bold new plot filled with twists and turns. The first game in the wild is the return of the first game, with even more dynamic elements! Scale tall trees, layering on new elements he the farther you go. Choose between branching paths in the story to explore the game from a new perspective, and watch how day and night affect your progress. Fight for your life against magical new opponents like togglodytes, leanies, or massive snake Hester! Spend your hard earned cheese supplies in village shops. And of course, sand your teeth and race for your life as the sand of time push you to the brink of disaster. So call your friends and family back to the kitchen table. The next chapter in the Mouse and Mystics saga is here! Downwood Tales gives players an exciting opportunity to continue the story of the brave Prince Collin and his closest companions: Maginos, I wonder, Tilda, Filch, and Lily. The old oak tree that houses Barksburg is dying, and heroes are venture into Downwood hoping to find a new home. But things are not what they should be deep in the woods, and many schemes, thugs, and terrifying forest beasts stand in their way. Race against time with the characters you've come to know and love, or try your hand at the three new heroes. Play as Ditty Shrew, an adorable villain who is quick and deadly, or try Ansel, a stalwart mouse inspector. Drive others like Jakobe, wily gecko, acting as a guide through the dangerous green from Downwood.
